

911 Emergency Dispatcher Certification Training Programs Equivalent to the Department of Education's Curriculum Framework

An agency seeking to determine equivalency of their training program must submit DH Form 5067, 911 Emergency Dispatcher Training Course Equivalency Application. A training program consists of no less than 208 hours.

The department has identified that the following list of agencies have met the instructional objectives within their training program that meet each of the student performance standards as outlined in the Department of Education's Public Safety Telecommunication Curriculum Framework. Entities subject to the jurisdiction of the Department of Education are not eligible for this determination.

- Palm Beach County Fire Rescue
- Palm Beach County Sheriff's Office
- St. Lucie County Public Safety / 911
