DESCRIPTION OF PROGRAM

OVERVIEW:

The Department of Health, Bureau of Emergency Medical Services (EMS) is authorized by Chapter 40I, Part II, F. S., to dispense grant funds. Forty-five (45) percent of these funds are made available to the 67 boards of county commissioners (BCCs) to improve and expand prehospital EMS systems in their county.

On-going costs for EMS and replacement of equipment cannot be funded under this grant program. These costs remain the responsibility of the counties and EMS agencies and organizations.

ELIGIBILITY:

EMS County grants are awarded only to BCCs. However, each BCCs is encouraged to assess its countywide EMS needs and establish priorities before submitting a grant application. The assessment should be coordinated with area EMS councils, when available.

COUNTY GRANT PROCESS

APPLICATION FORM:

BCCs must copy and complete the form titled "EMS County Grant Application, DH Form 1684, June 2002". The BCCs will return the county grant application and resolution (item 4 on the application) to the department.

NOTICE OF GRANT AWARD:

The Department shall send a Notice of Grant Award letter to the BCCs. This is the BCCs official notice that its grant application has been approved for funding. The letter and its attachments will include the amount of the award, the beginning and ending dates of the grant, due dates for required reports, the approved budget, and additional grant conditions, if any.

APPLICATION SUBMISSION:

The BCCs must submit:

1. A completed application (DH Form 1684, June 2002) with original signatures of the authorized county official.
2. A county resolution certifying the EMS county grant funds received shall be used to improve and expand prehospital EMS and that the funds will not be used to supplant existing county EMS budget allocations (item 4 in the application).

A complete EMS County Grant packet consists of the above two items. No copies are required.

GENERAL CONDITIONS AND REQUIREMENTS

The EMS County grant general conditions and requirements are an integral part of the county grant agreement between the agency/organization (grantee) and the state of Florida, Department of Health (grantor or department). In the event of a conflict, the following requirements shall always be controlling:

FINANCIAL

FUND ACCOUNTING:

All state EMS grant funds shall be deposited by the grantee in an account maintained by the grantee, and assigned an unique accounting code designator for all grant deposits and disbursements or expenditures thereof. All state EMS grant funds in the account maintained by the grantee shall be accounted for separately from all other grantee funds.

USE OF COUNTY GRANT FUNDS:

All state EMS grant funds shall be used between the beginning and ending dates of the grant solely for activities as outlined in the Notice of Grant Award letter, its attachments if any, and the application including its budget with its revisions, if any, on file in the state EMS office.

The grantee is not restricted to staying within the line item amounts within the approved grant budget. However, the grantee must adhere to the approved total grant budget. Any expenditures beyond this budget are the full responsibility of the grantee.

ENCUMBRANCES

Funds are encumbered on prior to the ending date of the grant when the grantee transmits to a vendor a signed and approved purchase order or equivalent either physically or electronically, or the grantee receives an invoice, bill, or equivalent, either physically or electronically, from a vendor for any item or service which is clearly an approved budget line item or included within or under a line item. The encumbrance will be for the amount or upper amount range specified in the physical or electronic record of the pending transaction(s).

When the grantee receives and accepts the goods or services, payment may be paid from funds of the grant. The services or items must be received and accepted by the grantee and payment made within 60 days of the grant's ending date. Otherwise, the funds originally encumbered will be rolled over into the current active grant, and may be paid from the current active grant.

ROLLOVERS

Any unencumbered EMS county grant program funds as of September 30, of each year, including interest, remaining in the assigned grantee account at the end of a grant period shall be reported to the department. The grantee will retain these funds in the EMS County Grant account and include them in a budget revision request after receipt of approval of their next county grant application.

DISALLOWED EXPENDITURES

No expenditures are allowable as grant costs unless they are clearly specified as a line item in the approved grant budget, including approved change requests, or are clearly included under an existing line item.

Any disallowed EMS county grant expenditure shall be returned to the EMS county grant account maintained by the grantee within 40 days after the department's notification. The costs of disallowed items are the responsibility of the county.

VEHICLES AND EQUIPMENT

The grantee shall own all items, including vehicles and equipment purchased with the state EMS grant funds, unless otherwise described in the approved grant application. The grantee shall clearly document the assignment of equipment ownership and usage; and maintain these documents so they are available to the department. The owner of the vehicle shall be responsible for the proper insurance, licensing and, permitting and maintenance. All equipment purchased with grant funds shall continue to be used for pre-hospital EMS or the purpose for which it was purchased throughout its useful life. When any grant-funded equipment is no longer usable, it may be sold for scrap or disposed of in the customary procedure of the receiving agency.

TRANSFER OF PROPERTY

A private organization owning any equipment funded through the grant program in whole or in part and purchased that equipment to provide services for a municipality, county or other public agency ceasing operation within five years of the ending date of a grant awarded to the organization shall transfer the equipment or other items to the local agency. There shall be no cost to the recipient organization. This provision is applicable when services cease operating due to a contract ending as well as any other reason.

REQUESTS FOR CHANGE

After a grant has been awarded, all requests for change shall be on DH Form 1684C EMS Grant Program Change Request, June 2002. The grantee shall obtain written approval from the department prior to making the requested changes. The following changes must be requested:

1. Changes in the project activities.
2. Redistribution of the funds between entities or equipment approved.
3. Establishing a new line item in the budget.
4. Changing a salary rate more than 10%.

SUPPLANTING FUNDS

The applicant cannot propose to use grant funds to supplant or replace any county or other funding source. Funds received under the county award grant program cannot be used to fulfill the matching requirement for the matching grant program.

DEPOSIT OF FUNDS

County grant funds provided to an applicant shall be deposited in a separate account. All interest earned shall be documented on the required reports.

REPORTS

Each grantee shall submit two reports to the department. The due dates for the required reports shall be specified in the letter from the department notifying the grantee of the grant award. These reports shall include, at a minimum, a narrative of the activities completed or the progress of grant activities during the reporting period. A report shall be submitted by the due date whether or not any action or expenditures have occurred.

GRANT SIGNATURE

The authorized individual listed on page one of the application shall sign each original application. Should this not be possible before the due date a letter shall be submitted to the department explaining why and when the signed application shall be received.

RECORDS

The grantee shall maintain financial and other documents related to the grant to support all revenue and expenditures. A file shall be maintained by the grantee, which includes a copy of the "Notice of Grant Award" letter, a copy of the application and department approved budget and a copy of all approved changes.

FINAL REPORTS

Within 120 days of the grant ending date a final report shall be submitted to the department. The final report shall at a minimum contain a narrative describing the activities conducted including any bid or purchasing process and a copy of all invoices, canceled checks relating to the purchase of any equipment and supplies. If the activity funded was for training a list of all individuals receiving the training shall be submitted along with the dates, times and location of the training. If the grant was for training to be obtained by staff then a copy of all invoices and payment documents for the training shall also be submitted.

COMMUNICATIONS EQUIPMENT

The grantee shall have all communications activities, services, and equipment approved in writing by the Department of Management Services, Information Technology Program (ITP). The approval shall be dated after the beginning date of the grant. Any commitment to purchase the requested equipment and service shall also be dated after the beginning date of the grant.

EXPENDITURES

No expenditures may be incurred prior to the grant starting date or after the grant ending date. Rollover funds may be used to meet expenditures prior to receipt of current year funds.

CREDIT STATEMENT

The grantee ensures that where activities supported by this grant produce original writing, sound recording, pictorial reproductions, drawings or other graphic representations and works of any other nature, notices, informational pamphlets, press releases, advertisements, descriptions of the sponsorship of the program, research reports, and similar public notices prepared and released by the provider shall include the statement:

“Sponsored by [Your Organization's Name] and the State of Florida, Department of Health, Bureau of Emergency Medical Services.”

If the sponsorship reference is in written or other visual material, the words, “State of Florida, Department of Health, Bureau of Emergency Medical Services” shall appear in the same size letter or type as the name of the grantee's organization.

One complimentary copy of all such materials shall be sent to the department within three weeks of their reproduction and delivery to the grantee.

If the proper credit statement is not included, or if a copy of each item produced is not provided to the department within three weeks, the cost for any such materials produced shall be disallowed.

Where activities supported by this grant produce writing, sound recordings, pictorial reproductions, drawings, or other graphic representations and works of any similar nature, the department has the right to use, duplicate and disclose such materials in whole or in part, in any manner or purpose whatsoever and others acting on behalf of the department. Pursuant to section 286.02 (1), F.S., no person, firm or corporation, including parties to this grant, shall be entitled to use the copyright, patent or trademark without the prior written consent of the Department of State.

FINANCIAL AND COMPLIANCE AUDIT REQUIREMENTS

This is applicable, if the provider or grantee, hereinafter referred to as provider, is any local government entity, nonprofit organization, or for-profit organization. An audit, performed in accordance with section 215.97, F.S. by the Auditor General shall satisfy the requirement of this attachment.

STATE FUNDED

This part is applicable if the provider is a nonprofit organization that expends a total of \$100,000 or more in funds from the department during its fiscal year, which was not paid from a rate contract based on a set state or area-wide fixed rate for service, and of which less that

The grantee agrees to have an annual financial audit performed by independent auditors in accordance with the current Government Auditing Standards issued by the Comptroller General of the United States. Such audits shall cover the entire organization for the organization's fiscal year. The scope of the audit performed shall cover the financial statements and include reports on internal control and compliance. The reporting package shall include a schedule that discloses the amount of expenditures and/or receipts by grant number for each grant with the department in effect during the audit period. Compliance findings related to grants with the department shall be based on the grant requirements, including any rules, regulations, or statutes referenced in the grant. The financial statements shall disclose whether or not the matching requirement was met for each applicable grant. All questioned costs and liabilities due to the department shall be fully disclosed in the audit report with reference to the department grant involved. If the grantee receives funds from a grants and aids appropriation, the provider shall have an audit, or submit an attestation statement, in accordance with Section 215.97, F. S. The audit report shall include a schedule of financial assistance, which discloses each state grant by number and indicates which grants are funded from state grants and aids appropriations. The grantee has "received" funds when it has obtained cash from the department or when it has incurred reimbursable expenses.

The grantee agrees to submit the required reports.

SUBMISSION OF AUDIT REPORTS

Copies of the audit report and any management letter by the independent auditors, or attestation statement, required by this attachment shall be submitted within 180 days after the end of the grantee's fiscal year to the following, unless otherwise required by F. S.:
