### ORGANIZATIONS AND PROJECTS ELIGIBLE FOR MATCHING GRANT FUNDS

This grant program is under 401.113(2) (b), subparagraphs 1 and 2, *Florida Statutes*.

Under subparagraph (b) **1** the state pays 75% of approved budgets, and all projects both urban and rural based organizations must clearly improve and expand prehospital EMS. Replacement and ongoing operations can NOT be FUNDED for these 75% grants.

Nonetheless, under subparagraph (b) **2**, rural organizations can be considered for 90% grants and ALL types of prehospital EMS PROJECTS are ELIGIBLE.

All EMS and related organizations, both public and private, are eligible for funding including but not limited to licensed EMS providers, trauma centers and other hospitals, EMS training centers, and youth athletic organizations.
