

## Legislative Committee Agenda

June 30, 2009  
The Rosen Centre Hotel  
Orlando, Florida  
1:30 P.M. – 3:30 P.M.  
Salon 14

**Purpose:** To discuss current and proposed changes to Rule and Statute that impact Florida Emergency Medical Services. In addition, act as a clearing house for the EMS Advisory Council to review any proposed changes to Rule or Statute that may be discussed.

**Objectives:** Identify concerns from the EMS community, aid in facilitating change in Rule or Statute, and oversee legislative items in strategic plan.

- I. **Strategic Visions Assignments (refer to June 9 conference call minutes)**
  - a. Status of current plan assignments (what's complete, what's in progress, what's new, what needs to roll over to next plan)
    - i. **Objective 3.2** – Adopt initial and continuing educational training requirements for air crew of licensed air providers (appendix A in strategic plan)
    - ii. **Objective 3.5** – Remove current statutory requirement of 2-hour HIV/AIDS while keeping total number of certification hours at 32
    - iii. **Objective 3.6** – Continuing education for recertification must include course topics from the seven areas defined in the NHTSA Continuing Education Guidelines (appendix B in strategic plan)
    - iv. **Goal 4:** To ensure economic sustainability of the EMS system
  - b. Input from committee for 2010 – 2012 plan
    - i. August 17-18 strategic planning session in Clermont
    - ii. Assign 1-2 representatives from committee to attend session and bring committee's ideas
    - iii. One representative from the committee will complete online SWOT analysis
- II. **Legislative Review**
  - a. Review of new legislation (see Bureau Report)
    - i. Senate Bill 948/House Bill 861
- III. **Rules (see Bureau Report)**
  - a. 64J-1 (EMS) Rules under promulgation
    - i. Instructor criteria
    - ii. Training and education
    - iii. Neonatal transports
    - iv. MQA/Certification
  - b. 64J-2 (Trauma) Rules under promulgation
    - i. Transfer of trauma definitions from 64J-1 to 64J-2
  - c. 64J-3 (911 Emergency Dispatchers) Rules under promulgation
    - i. Renewals
    - ii. Training center equivalency
- IV. **Upcoming rule packages**
  - a. Paramedic students ride time on ALS non-transport vehicles
  - b. Finalize integration of EMSTARS into EMS rule
  - c. Disciplinary guidelines
  - d. Reinstatement after revocation
  - e. Glucometer use by emergency medical technicians
  - f. Review of Florida Hospital Association's declaratory statement for new COPCN rule
  - g. Pediatric-specific hours for recertification (minimum 2)
- V. **STEMI**
